Dear Parent(s)/ Guardian(s),

We have had a smooth re-start to the year, and we would like to thank you for your contributions on that front.

However, concerns have been raised by a number of parents regarding the traffic congestion outside of the school in the evenings, and particularly the safety of children walking on the road towards their pick-up vehicle.

Bus Eireann have a well-structured pick-up arrangement that sees the buses all departed by 3.55pm. We would be grateful if parents could wait until all the buses have departed before picking up their children; coming ten minutes later can make a massive contribution to the flow of traffic outside our school making it safer for everyone. There are a number of parents already employing this strategy and they report no delay in picking up their children.

I would be grateful if you would consider this request in the interests of the health & safety of all the children attending our school.

Yours sincerely,

Damien McGoldrick

Principal
