Deputy Principal: Mr Michael Rooney

Dear parents,

We currently have a number of student teachers completing their school placement in our school. These student teachers would usually receive a number of school visits from their university school placement tutors for the purpose of teaching practice supervision and assessment. We would like to advise you that school placement supervision will be conducted via video streaming (using zoom) to protect the Health and Safety of students and staff in our school. This is a temporary and emergency measure to assure the continuation of student teacher support and assessment during the Covid-19 pandemic. We would like to assure you that lessons will be streamed securely. Students will be visible only from the back and only the university tutor will watch the lesson live. Lessons will not be recorded and no data will be collected from students.

We thank you for your understanding. If you have any questions please do not hesitate to contact us.

Kind regards,

Damien McGoldrick
