Dear Parents/Guardians,

In collaboration with our 6th year students, we are planning to have an end-of-year graduation ceremony on Friday afternoon from 1.45 to 3.15pm. The event must comply with Covid guidelines so it will be outdoors and therefore weather dependent. Unfortunately, we are unable to invite parents/guardians to this year's graduation, but we are planning to record the event so that there will be footage available afterwards on our school Teams platform.

Our 6th years have been brilliant in helping to plan for their graduation and we hope the weather is in our favour Friday afternoon. We are asking for your support to reinforce to your son or daughter that the graduation is not a platform for an out of school gathering afterwards that may put students and the wider community at risk of Covid.

This is not a normal year and the traditional get-together by students outside of school after the graduation should be avoided at all costs.

Hopefully, there will be time for such celebrations in the not-too-distant future.

Thanks for your continued support,

Damien McGoldrick, Principal.
